# Welcome to your Hurstbridge timetable

## Your travel

All services on the Hurstbridge line begin or end at Flinders Street Station (you'll notice in the timetable these times are **bolded**).

Services run from 5am to midnight Monday to Saturday and 8am to midnight Sunday. Extra late-night services are scheduled between 12.30am and 1am on Friday and Saturday nights, excluding public holidays.

On public holidays, services run to a Saturday timetable with the exception of Christmas Day and Good Friday which operate to a Sunday timetable.

Across the City Loop, Hurstbridge services arrive and depart from the following platforms:

<b>Flinders Street</b>	All week	Platform 1
<b>Southern Cross</b>	All week	Platform 9
<b>Flagstaff</b>	Weekdays	Platform 1
<b>Melbourne Central and Parliament</b>	All week	Platform 1

The Hurstbridge line has seven premium stations that are staffed from first to last service, seven days a week. These stations have a customer service centre for all ticketing and travel needs, toilets and indoor waiting areas (refer to the network map at the back of this timetable).

# Hurstbridge Line

## Your needs

Sometimes you might be travelling with more than just yourself. The table below outlines some helpful information to ensure an easy, comfortable and safe journey.

<b>Mobility aid</b>	<p>All trains provide access for wheelchairs and other mobility aids in the first carriage. Please wait at the allocated position on the platform and the driver will assist you on and off the train via a ramp. Please let the driver know your destination when boarding.</p> <p>All stations on the Hurstbridge line are accessible by wheelchairs and mobility aids.</p>
<b>Prams and children</b>	<p>At the station, hold onto your pram at all times, apply the brakes and restrain your child with a harness. If you have an older child with you, have them hold your hand or the pram.</p> <p>On the platform, keep your pram parallel to the tracks, behind the yellow line.</p> <p>It is recommended that you travel in one of the first carriages where the driver has the best view of people entering and exiting the train.</p> <p>Board the train with the pram in front of you, lifting the front wheels over the gap. When exiting, step out first then pull the pram towards you, rear wheels first.</p>
<b>Pets</b>	<p>Guide dogs, hearing guide dogs, guide dogs in training and animals with an Assistance Animal Pass can travel for free on all Metro services.</p> <p>Dogs on leads are permitted but only if they are muzzled.</p> <p>Small animals can travel but they must be housed in a suitable container.</p>

**Bicycles and surfboards**

Bicycles can be carried on all services. Customers are requested to avoid heavily congested carriages or services, and to consider the comfort and safety of others.

Do not travel in the area behind the driver's cabin as this is allocated for those travelling with a mobility aid.

Surfboards can be taken on board but should not take up a seat.

If your service is replaced by a bus, rules of travelling on a bus apply, which may mean you won't be able to take your bicycle/surfboard on the service.

## Your safety

Metro and the Victorian Police Transit Safety Division work closely to keep our stations and trains safe. Personal safety is further improved through CCTV surveillance on trains and at stations, as well as increased lighting and presence of Metro employees and Transit Police at many stations (including car parks).

Throughout 2012, Victoria Police will also be deploying Protective Services Offices (PSOs) on train stations across Melbourne from 6pm until the last train service to further improve safety, particularly at night.

If at any time you feel unsafe on the train network look for a Metro employee – either a Customer Service or Authorised Officer who will always assist you. In their absence, every platform and carriage has a red emergency intercom button which allows you access to help in an emergency situation.

### **The following advice will help ensure a safe journey.**

- Arrive at your station earlier than your timetabled service to give you enough time to purchase your ticket and board your train safely.
- Spread out along the platform – this helps avoid crowding carriages.
- Wait behind the yellow line until the train has arrived at the platform.
- Stand aside and allow other people to get off before you board the train.
- Never attempt to hold a train door open or to force it open.
- Mind the gap between the platform and the train – the size of this gap will vary among different stations.
- Do not run through a station to attempt to board a departing train – a closed door signifies the train is moving. Another service won't be too far away.

## Your ticket to travel

myki is replacing Metcard in Melbourne. You may notice quite a bit of activity at stations as new machines and devices are installed.

When travelling with myki, just remember your three T's.

1. Top up – your myki is ready to go
2. Touch on – you have a valid ticket
3. Touch off – to pay the lowest fare

You can buy a myki:

- at premium stations
- at myki machines (full fare only) located at all metropolitan train stations and selected accessible tram stops and bus interchanges
- at any 7-Eleven store or independent retailer where you see the myki sign
- online at [myki.com.au](http://myki.com.au)
- by calling 1800 800 007.

A full fare myki card costs \$6 and a concession myki (senior, concession, child) costs \$3.

Top up your myki:

- instantly at myki machines at all metropolitan train stations and selected accessible tram stops and bus interchanges
- instantly at any 7-Eleven store or independent retailer where you see the myki sign
- online at [myki.com.au](http://myki.com.au) (allow 24 hours to process)
- by calling 1800 800 007 (allow 24 hours to process).

### Zones

Fares for travelling on Melbourne's trains, trams and buses are separated into two zones: Zone 1 for inner-city and Zone 2 for the middle and outer suburbs.

Use the network or route maps to check what zones you are planning to visit and make sure you have a ticket or enough value on your myki that covers your entire journey.

Please note tickets need to be valid for each zone travelled in. However, when travelling in a zone boundary overlap, the ticket can be valid for either zone.
